Aims and Objectives:

Our service consists of dedicated and professional practitioners and administrative staff. We strive to be acknowledged by our patients, suppliers, and regulators as the leader in our sector. This will be achieved by ensuring that we recruit and train highly professional staff whose ambitions are to exceed patient expectations.

Our aims:

- To understand and exceed the expectation of our patients.
- To both motivate and invest in our team and acknowledge their value.
- To encourage all the team members to participate in achieving our aims and objectives.

Our Objectives:

- To support each other in achieving patient expectations.
- Maintain the highest professional and ethical standards.
- Respond to the needs of our patients, practitioners and staff.
- To encourage innovation, ambition, enterprise, and continuous improvement.

Services:

The following regulated activities are provided by **Priors Medical (Essex) Ltd.**

1. Treatment of Disease, Disorder and Injury
